VIA NIXON DALL'ITALIA

Il regime reazionario giordano, con l'aperto sostegno dell'imperialismo americano sta tentando di liquidare fisicamente e politicamente la resistenza palestinese.

Il massacro del popolo palestinese è infatti la condizione preliminare per raggiungere una soluzione negoziata del conflitto Medio - Orientale secondo gli interessi dell'imperialismo americano e delle borghesie arabe sostenute dall'U. R. S. S.

La resistenza palestinese nella sua lotta antimperialista si scontra con gli interessi dei regimi arabi in generale e di quello giordano in particolare.

La radicalizzazione della lotta del popolo palestinese, collegando la battaglia di liberazione nazionale ad una prospettiva rivoluzionaria ha messo in discussione non solo la dominazione imperialista sul Medio - Oriente, ma la stessa natura borghese dei regimi arabi.

L'Unione Sovietica, mirando a salvaguardare la continuità della sua influenza in Medio - Oriente, accetta la liquidazione della rivoluzione palestinese come condizione necessaria per la coesistenza pacifica con l'imperialismo.

Anche il P. C. I. portando avanti la linea di coesistenza pacifica si rende complice della repressione della forza rivoluzionarie.

Contro la complicità tra imperialismo e Unione Sovietica i popoli oppressi e gli sfruttati di tutto il mondo ritrovano una comune linea di lotta rivoluzionaria attorno alla esperienza della rivoluzione cinese e vietnamita.

Nixon viene in Italia mentre la borghesia italiana tenta la rivincita contro la classe operaia le cui lotte hanno messo in crisi l'ordine padronale in fabbrica e nella società.

Respingiamo l'attacco antioperaio e rilanciamo le lotte di massa nelle fabbriche, nelle campagne, nelle scuole.

Organizziamo la protesta di tutta la città.

Proponiamoci a manifestare
Contro l'imperialismo americano
Contro il revisionismo
Per la resistenza Palestinese
Per la rivoluzione socialista

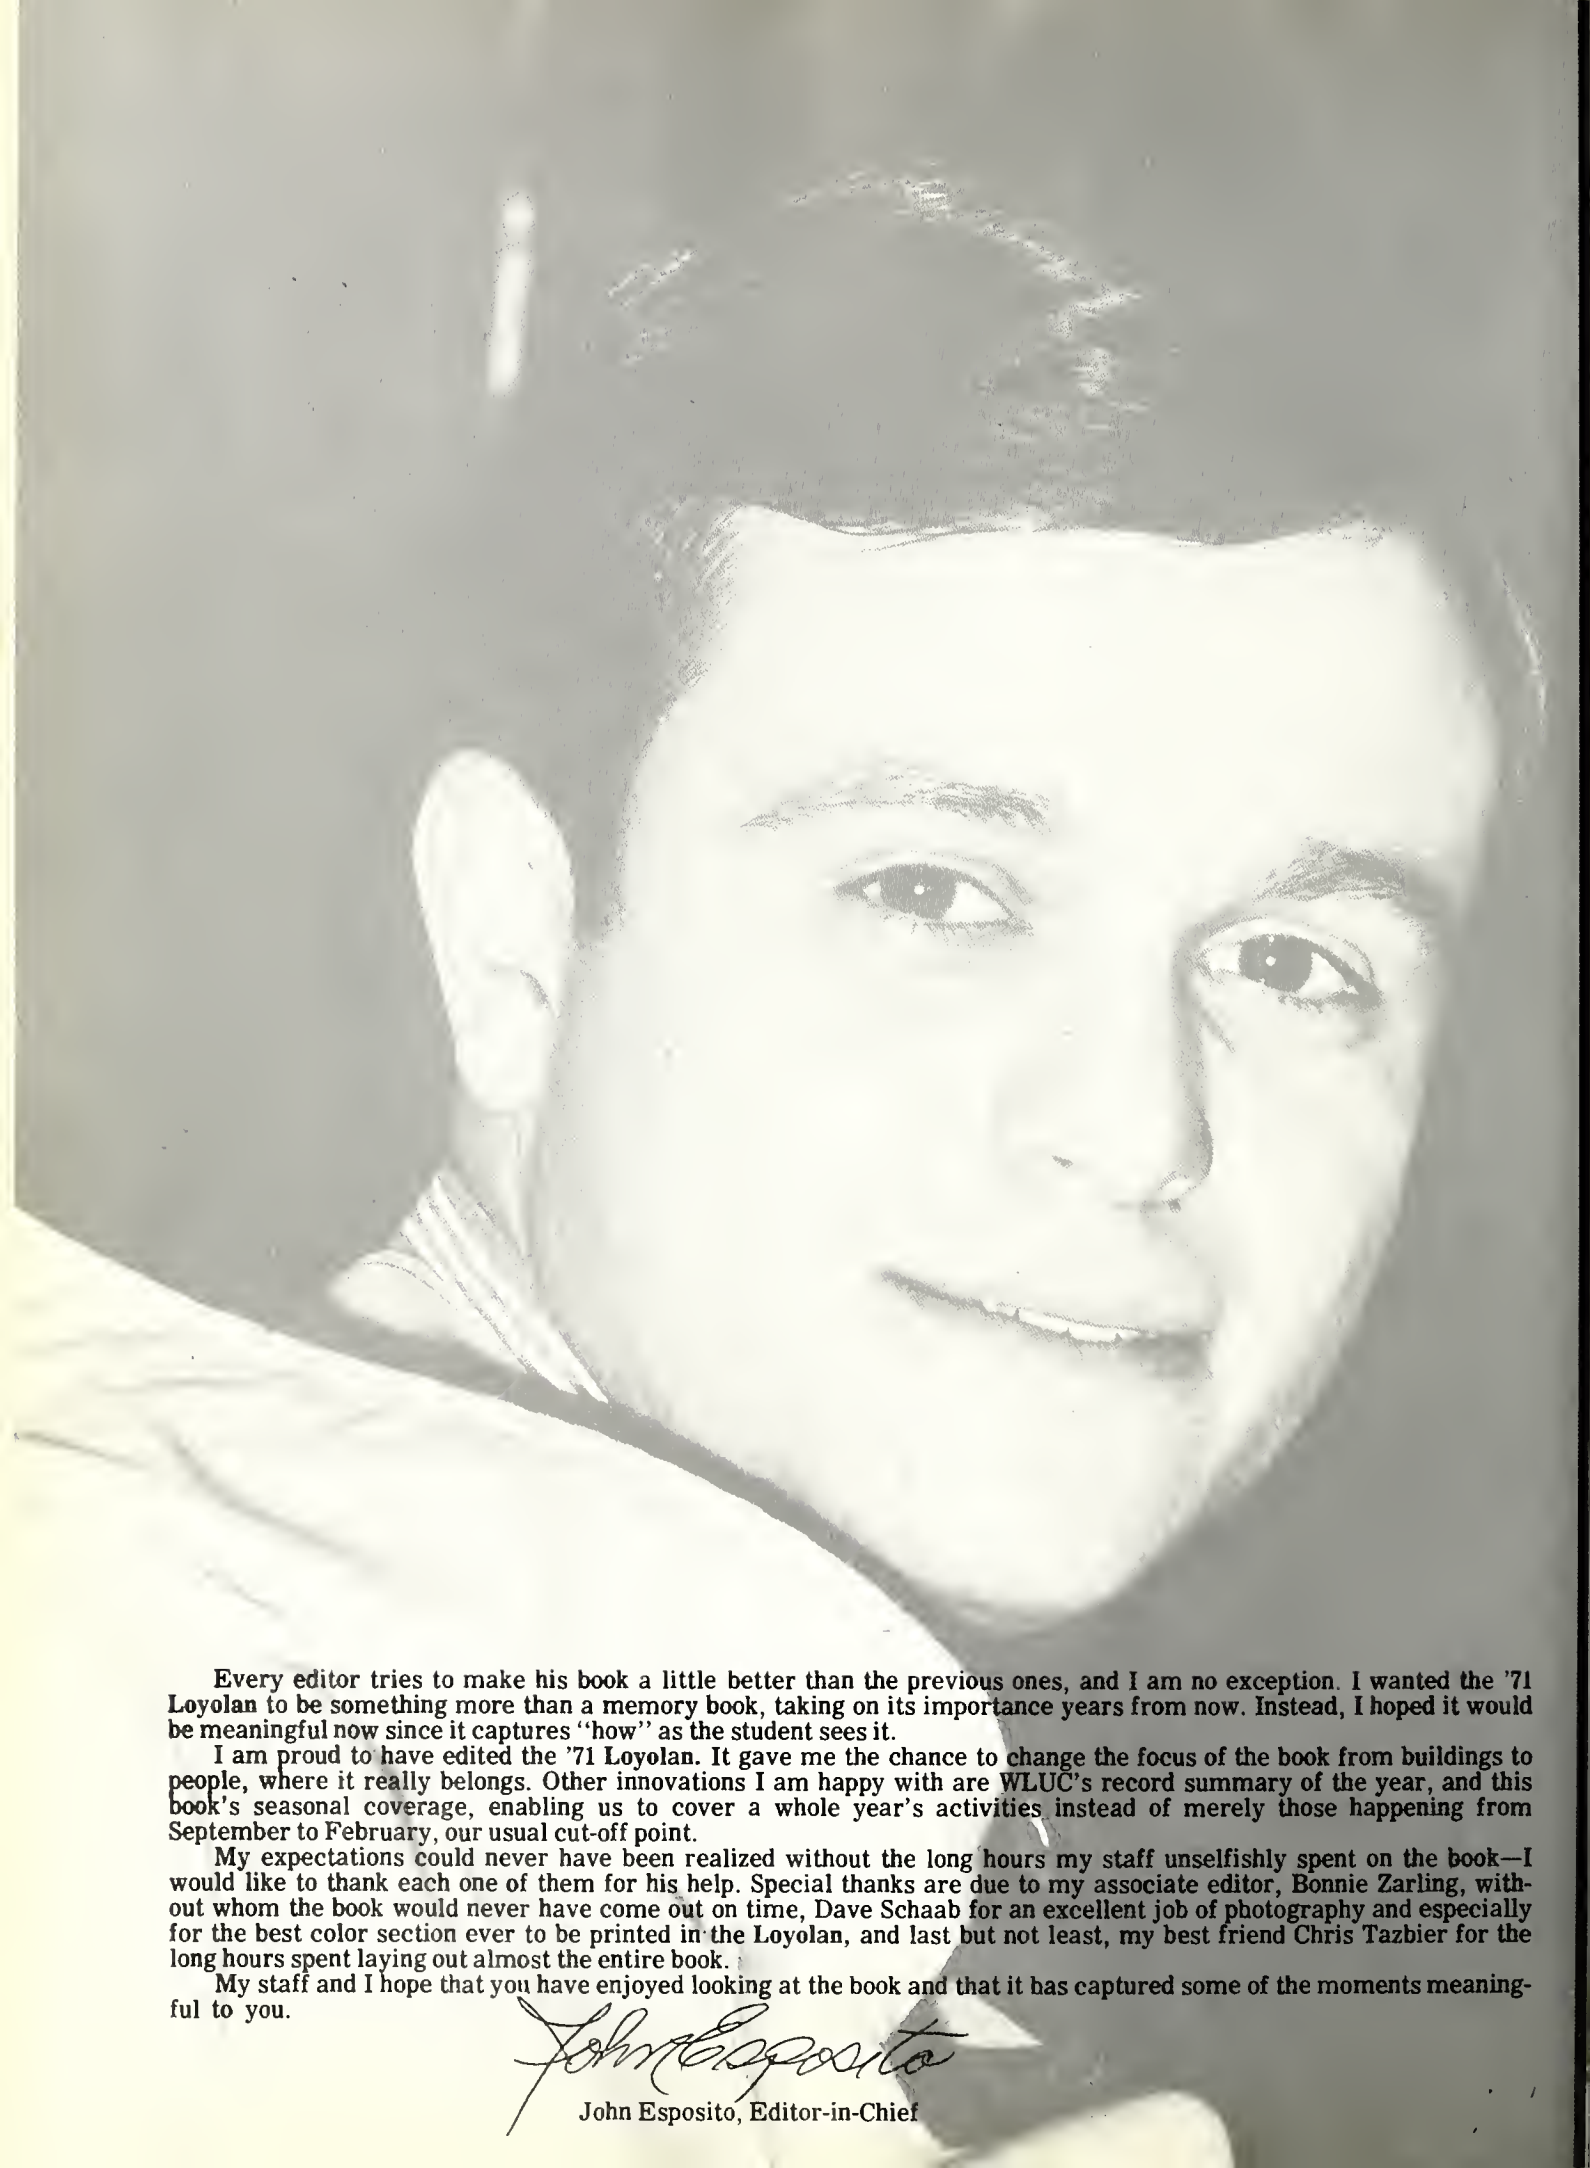
WALSWORTH
Marceline, Mo., U.S.A.



Every editor tries to make his book a little better than the previous ones, and I am no exception. I wanted the '71 **Loyolan** to be something more than a memory book, taking on its importance years from now. Instead, I hoped it would be meaningful now since it captures "how" as the student sees it.

I am proud to have edited the '71 **Loyolan**. It gave me the chance to change the focus of the book from buildings to people, where it really belongs. Other innovations I am happy with are WLUC's record summary of the year, and this book's seasonal coverage, enabling us to cover a whole year's activities instead of merely those happening from September to February, our usual cut-off point.

My expectations could never have been realized without the long hours my staff unselfishly spent on the book—I would like to thank each one of them for his help. Special thanks are due to my associate editor, Bonnie Zarling, without whom the book would never have come out on time, Dave Schaab for an excellent job of photography and especially for the best color section ever to be printed in the **Loyolan**, and last but not least, my best friend Chris Tazbier for the long hours spent laying out almost the entire book.

My staff and I hope that you have enjoyed looking at the book and that it has captured some of the moments meaningful to you.
